Klinikum der J.W. Goethe-Universität
Theodor-Stern-Kai 7, 60590 Frankfurt am Main

INVITATION

Dear colleagues and friends,

It is our pleasure to invite you to the Leopoldina Symposium on Lipid Signalling, which will be held in Frankfurt am Main on 4. - 7. September 2008.

The meeting under the auspices of the Forschergruppe 754 of the German Research Foundation, the Faculty of Medicine of the J.W. Goethe University and the German Academy of Sciences Leopoldina will cover a broad spectrum of actual topics in the rapidly evolving field of lipid signalling.

Special emphasis will be given to the following aspects for which distinguished international experts will deliver state of the art lectures in designated sessions:

- **Bioactive sphingolipids**
- **Cannabinoids**
- **Eicosanoids**
- **Functions of lipids in health and disease**

Oral and poster presentations from selected abstracts will complement the programme and sufficient time for social interactions and networking will be provided.

We cordially invite you to attend this symposium and look forward to welcoming you to Frankfurt.

CALL FOR ABSTRACTS

The congress organization welcomes the submission of abstracts concerning all aspects of lipid signalling. Abstract submission is possible via the website at www.lipidsignalling.de

Deadline for the submission of abstracts:

June 15th, 2008

Presentations as free oral communications will be selected on the basis of submitted abstracts.

AWARDS

Prizes will be awarded to the best three poster presentations.
